BUCKHEAD CHURCH Position Statements

Mission Statement

Our mission is to lead people into a growing relationship with Jesus Christ by welcoming, informing, and serving those attending our services.

Smile & Engage Your Members and Guests

What a wonderful opportunity to be front and center with those members and guests who come to learn more about what God is doing at Buckhead Church! You glorify Him through your service on the IC team and lives are changed because of what you do!

- You are so much more than a welcome committee and information provider.
- Someone needs engaging and encouragement from you today.
- You can lead someone into a growing relationship with Jesus Christ today!
- Ask who they are; about their families; how many times they have visited.
- Where are they from? What are their interests and service experiences?
- Encourage them to visit or join a strategic service environment!
- Promote community! Share your small group experience!
- Create engaging and inviting conversation.
- Promote participation! Determine where their strategic service fit might be.

Three Vital Relationships

- Intimacy With God
- Community With Insiders
- Influence With Outsiders

Ministry Strategy Similar To The Rooms In Our Homes

- **Foyer**: the welcome area in the home for guests where we try to make them comfortable enough to want to return. At BC, this is our worship service. Each environment has its own foyer: Middle School - “The Zone” High School - “Rush Hour” Families - “KidStuf” and Singles - 7|22.
- **Living Room**: the comfortable place in the home where interaction and familiarity begins. For Single Adults - “Fusion,” Married Adults – “MarriedLife Live,” Students – “Xtreme,” “InsideOut,” and “College Connection”.
- **Kitchen**: usually the most popular place in the home, where lasting friendships are made. We call these environments community groups or small groups. Other

environments like Starting Point and Intimate Encounters are considered small groups as well. Small group is where life change happens!

BC Community Group Goal ~ 5-50-10

NPM is praying big to have 5,000 small groups with 50,000 group members by the year 2010 across all campuses and strategic partners. Currently the total number of adults, youth, and children in community is around 20,000 people in over 1,000 groups.

CAMPUSES & STRATEGIC PARTNERS

Buckhead Church

This is the first “video” campus of North Point Ministries. North Point Church started in 11/95 and met for the first three years every other Sunday night in rented facilities, with a vision of providing a safe environment where the unchurched could come and hear the life-changing truth that Jesus Christ cares for them and died for their sins. Some basic statistics include:

- 2007 average adult attendance for all three campuses is about 17,000.
- 2007 averages: NPCC = 9,600 Buckhead = 4,400 Browns Bridge = 3,000
- This includes approximately 6,600 members and currently over 10,000 adults and high schoolers in about 1,000 small groups across our three campuses.

North Point Community Church ~ www.northpoint.org

- Sunday services - 9:00 AM, 11:00 AM, and 12:45pm

Browns Bridge Community Church ~ www.brownsbridge.org

Hwy. 369 at GA 400

- Sunday services – 9:00 AM & 11 AM. Directional maps available at IC.

Strategic Partners Listed by City

North Point Ministries is partnering with several start-up churches called strategic partners, who are independent of NPM, but use our mission, strategy, core values, environments, and video messages. They provide their own leadership, government, and financing. Our vision for strategic partners is to give communities all across the globe the opportunity to experience irresistible churches to which those attending will want to invite their families and friends. The most recent information from our current strategic partners is listed below. Many of these partners incorporate NPCC videos and provide the same great programming and small group environments.
